Adult Wellness Packages

We know how important your pet's health is. We also know how difficult it can be to afford quality veterinary care. Our wellness packages are available to make that care affordable for you while your special friend receives the best in preventive care.

All wellness packages include:

- Free office visits
- Annual diagnostics to detect common parasites
- Ear cytology to detect infection
- Important vaccinations against the most fatal yet preventable diseases
- Vaccine guarantee up to \$1000.00
- Additional discounts on services and products not included in package plans.
