Equine Wellness Packages

We know how important your pet's health is. We also know how difficult it can be to afford quality veterinary care. Our wellness packages are available to make that care affordable for you while your horse receives the highest quality health care available.

All wellness packages include:

- Two free examinations
- Important vaccinations against the most fatal yet preventable diseases
- Equine Infectious Anemia Testing (Coggins)
- Diagnostic tests to ensure your horse is free of intestinal parasites.
- Dewormer at two "well" visits.
- Additional discounts on services and products not included in package plans.

Package Details:

The following charts show general services and prices to help you choose the right package for your horse. See our staff for more detailed information.
